HAS BEEN CANCELED!

The Charleston Hamfest Committee has reluctantly decided to cancel our March 20, 2021 Hamfest. With the continuing uncertainty and daily changes with the China virus, we did not see any other alternative. Already spring 2021 events are being canceled...and some 2022 events have also canceled. A member of our local health department (who is also a ham) has advised us they expect the virus to last at least until August 2021.

Please pass the word to all the hams you know.

Thank you for your past support of the Charleston Hamfest! Perhaps one day we will be able to get back to a semblance of normalcy.
